

January 4, 1973

for the convenience of Senators, if you find that more convenient than going to first floor. We have new bills Mr. President.

CLERK: Read title LB 71

Place the name of Senator Marvel on the bill and strike Senator Barnett's name.

SPEAKER: Who is the Senator making that move?

CLERK: Senator Marvel.

SPEAKER: Is that a unanimous request Senator Marvel? Are there any objections to this? If not, it is so ordered. There are two announcements we have to make before we recess for organizational purposes. Senator Luedtke.

SENATOR LUEDTKE: Mr. President, members of the Legislature, I just wanted to state that the arrangements have been completed for the presentation of the penal or correctional reform report by the judiciary committee and its professional consultant to the Legislature Monday at 2:00 P.M. and we would hope that the Legislature would put that on the agenda and keep as much time as necessary. In other words, we want as much time as the Legislature wants to ask questions and get answers.

SPEAKER: Have you made a note of that, Mr. Clerk?

CLERK: Yes sir.

SPEAKER: There is one other matter. That is a number of Senators have suggested that we not meet Friday because we don't have much to do if anything Friday except for the introduction of bills and it is a great waste of time to meet when we do not have business to take care of. Therefore, I would like a show on the board of how many are in favor of not meeting Friday. Vote aye if you do not want to meet this Friday, tomorrow. According to my board that is somewhere near being unanimous, so I therefore announce that we will not meet Friday and that when we adjourn today, we will adjourn until 10:00 A.M. Monday morning. There are two more bills to read.

CLERK: Read title LB 80

(End of Belt #1)

SPEAKER: Senator Hasebroock, we were talking about the vice-chairman of the special committees, but you are on the Conflicts of Interest Committee I believe and it selects its own chairman. So I am going to ask you, if you will, to get that committee together to the extent you can sometime today at your own discretion for the purpose of selecting a chairman and we want to get the stationary printed as quickly as possible and so it is essential that it be done today. Would you take that responsibility of getting the committee together?

SENATOR HASEBROOCK: Mr. President, the committee, of course as you know, is four Senators plus two people, three people actually outstate. Of course, there is Dr. Palmer and the Attorney General probably available here and there was another man outstate. Now those people, all of them, meet and elect the chairman. I don't know whether we can get them all-- we can probably get a quorum today.
